

How to Get There

By car:

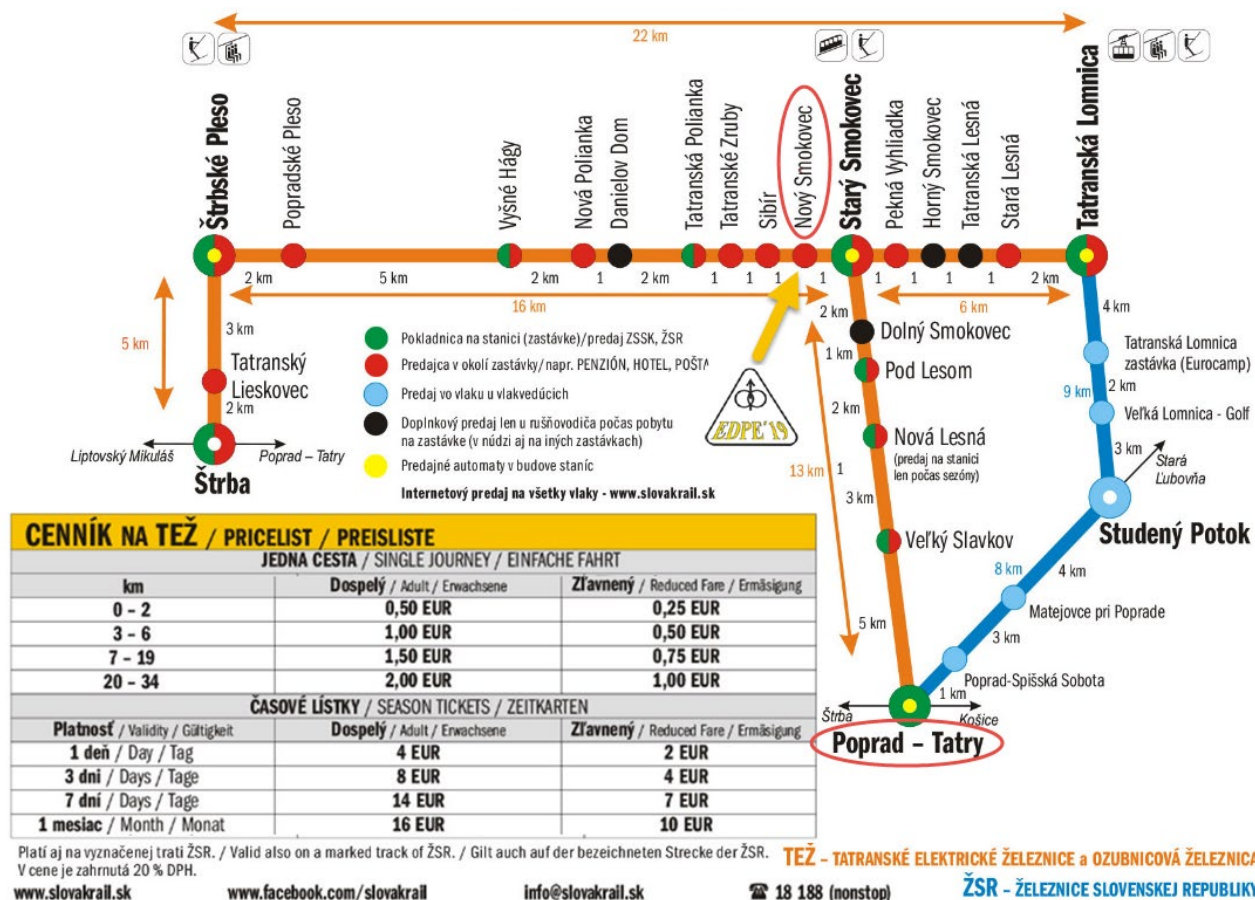

Nový Smokovec is a continuation of Starý Smokovec, so try to get to the Atrium Hotel (N 49°10'05,30" E 20°16'28,27") from the directions:

- Poprad – Nový Smokovec (recommended),
- Liptovský Hrádok – Pobanské – Nový Smokovec,
- or Lysa Pol'ana – Tatranská Lomnica – Nový Smokovec (from the north).

By train:

- change the train in **Poprad-Tatry** to "**Tatra electric tram**"
- other possibility is to get off in Štrba railway station, to change to Štrbské pleso (cog railway) and again change there – little bit bothering but a nice experience.

The best solution to get off Tatra electric tram is in **Nový Smokovec station**. Take a path (North direction towards mountains), cross the main road and the Atrium Hotel is just in front of you (1 min. walk from the station). You can also get off in Starý Smokovec, but the way is little bit longer: from the tram station take a path westward along the rails, cross the main road and continue further. After 10 mins. you reach the Atrium Hotel. When hiring a taxi from Poprad-Tatry railway station to Nový Smokovec the fee is around 20 Eur. The list of taxi services in Poprad can be found at <http://www.najditaxi.sk/taxi-poprad>.
