The screenshot shows the 'Create New Submission' form. At the top, there is a 'Submissions' tab and a 'Track: Electrical Drives' label. The form is divided into several sections:

- TITLE AND ABSTRACT:** Contains a text input field for the title (with a red circle around the label '* Title') and a larger text area for the abstract (with a red circle around the label '* Abstract'). A character count '1800 characters left' is visible at the bottom of the abstract field.
- AUTHORS *:** A section for adding collaborators. It includes a table with columns: 'Primary Contact', 'Email', 'First Name', 'Last Name', and 'Organization'. The first row contains: 'karol.kyslan@tuke.sk', 'Karol', 'Kyslan', and 'Technical University of Košice, Faculty of Electrical Eng...'. Below the table is an 'Email' input field and a '+ Add' button (circled in red).
- FILES:** A section for uploading files. It includes a dashed box for dropping files and an 'Upload from Computer' button (circled in red).

At the bottom of the form, there are 'Submit' and 'Cancel' buttons, both circled in red.

8. Finally, you can see Submission Summary and edit your submission up to submission deadline, if needed.
